

Welcome to Southern Journeys. We are a South African based and owned tour & transfer company that provides great service with tailor made itineraries; tours; safaris and transfers to everyone interested in visiting South Africa and neighbouring countries like Zambia, Zimbabwe and Botswana. Founded in 2009 and with several years in the industry we can offer you reliable and proven holiday packages to make the best of your stay though Southern Africa. This is a company based and founded by a profound love for African nature and wildlife and we are here to help you get the best of this part of the world.

With a clearly defined goal in the local tourism industry we strive to be a transport & tour operator company with flexible, accommodating and professional qualities that distinguishes it from the rest.

We work with reputable suppliers and you are guaranteed to get only the best rates and service from us plus having the peace of mind that we are available 24/7 for any query during your vacation in the region. {gallery}gallery-kruger-cape{/gallery}

Southern Africa is a great place for diversity in flora and fauna; breath taking landscapes and the most amazing sunsets. (Our clients still talk to us about the African sunsets when they were here). Let us help you make the best of your holidays in Africa through a kaleidoscope of wildlife, spot the big 5 in the Kruger or Chobe National Park, visit Cape Town, Victoria Falls, and enjoy a spectacular scenery and warm and friendly people together with the most amazing cuisine and selection of local wines that will leave you with an unforgettable experience until the next time you visit Africa.
